Some of these cures are really wonderful. If you suffer from scrofnia, be sure to try Hood's Sarsaparilla. "My daughter Mary was afflieted with serofulous screneck from the time she was 22 months old till she becama sia years of age. Lumps formed in her neck, and one of them after growing to the size of a pigcon's egg, became a running sore for over libre years. We gave her Hood's Sarsaparilla, when tha lump and all indications of scrofula cutirely disappeared, and now she seems to be a healthy child." J. S. Cariser, Nauright, N. J. N. B.
